

Introducing Tarnsfield Swim Club's Inaugural Cardboard Boat Regatta

**Thursday, September 2nd
6:00 p.m.**

Bring your creativity, bring your competitive drive, and bring your sense of humor as we race our cardboard boats across the pool.

Teams of up to 4 people may design and build boats in advance of the event.
Boats must be made from only cardboard and duct tape.

Winners will be chosen in categories of best overall boat, best design and theme, fastest boat, and the Titanic – the most spectacular sinking ship!

View a full list of the rules on our website or Facebook page and register at the club by Monday, August 30th to participate.
